

Flexible funding for your charter school

You love learning. You recognize that great schools build brighter futures. And, by launching or expanding your charter school, you're helping to reimagine what's possible for youth across the state.

As you prepare to put your plans into action, Alpine Bank is here to help you bridge the gap between expenses and grant reimbursements with a flexible line of credit tailored for your school's startup needs.

Why a line of credit might be right for you:

- Purchase items now and repay once grant funds are disbursed
Interest only payments will be due monthly on the outstanding balance.
- Cover upfront costs like furniture, technology, or curriculum
- Borrow only what you need, when you need it
- BELOW MARKET RATES made available with the support of the  DANIELS FUND.®
