

Subject: Thank You for Attending – Resources & Next Steps

Dear Recipients,

Thank you for attending the Great Schools Colorado (CSP): Grant RFA Informational Session! We appreciate your time and engagement as we walked through the structure and key sections of the RFA.

During the session, we aimed to help potential subgrantees better understand the grant requirements and application process, as well as provide a live demonstration of the Grant Management System (Foundant)—including how to access the application and other important resources related to the grant.

We hope the session gave you greater clarity and confidence as you prepare your applications, and as promised, we're sharing helpful resources and links to support you through the application process:
